Change of leadership on campus

Since September 1, **Yves Louët**, previously Deputy Director for Research, succeeds **Christophe Bidan** as Campus Director.

Christophe Bidan takes over the position (part-time) from Yves Louët for a year, before joining the studies department of Centrale Casablanca in September 2024.

Good luck to both of you for these new missions.

Welcome to...

Sylvie Marchand is present at the campus reception office every day until the Christmas holidays. Sylvie also monitors student registration files.

Armelle Minez is present on campus Monday and Tuesday. As manager of the **S**tudents **W**elcome **D**esk (formerly SGAE). Its missions: management of administrative registrations, information and guidance for students on residence permit issues, social security, CAF, financial aid, scholarships.

Oshin Daoud joined the campus on Friday September 1st, and is starting a thesis under the supervision of Amor Nafkha (IETR / ASIC): "Hybrid pre-coded index modulation schemes for the downlink of MU-MIMO Sub communication systems -THz"

FOCUS on back to school

Welcome to all our students for this new school year!

This year the campus welcomes 220 students, distributed as follows:

- **59** apprentice students in **1A**, returned on September 4. Please note that this year's promotion has been doubled compared to last year.
- **97** students in **2A** returned on September 5
- **64** students in **3A** returned on September 5

We wish them a rich, intense, studious and joyful year!!

Eiffel exhibition

Thursday, October 5, the exhibition **Gustave Eiffel: a monumental life** was inaugurated, with the presence of a representative of the **ADGE** (**A**ssociation of **D**escendants of **G**ustave **E**iffel).
The exhibition is being offered on the occasion of the centenary of Eiffel's death and will remain on display until the Christmas holidays.

JEC

Campus Business Day (**JEC**) was held on October 6 on campus. Around ten partner companies of the school came to meet the students and talk about internships, skills, jobs and careers. The event concluded with a shared and friendly lunch.

WEP

The **WEP** (**W**eek-**E**nd **P**rovince) was organized in Rennes on September 16 and 17 this year, with 1A from Metz and Rennes. The campus welcomed 130 participants over the entire weekend and

Thesis defense

Congratulations to **Sen Yan** who defended his thesis on September 29:
“Personalizing facial expressions by exploring emotional mental prototypes”.
